SHORELINE

CRUISES, INC

ADIRONDAC

The Adirondac is 115 feet in length and was built in 2003-04. This beautiful boat has a turn-of-the century design with state of the art technology. The first deck allows for seating to 200 people for fine dining. The atrium opens up to expose the second deck to the sun and the stars. On the third deck you will find a private bridal suite. The hull is made entirely of aluminum and is trimmed out with mahogany and cedar. The pilot house has the traditional cedar siding just like her sister ship "Horicon".

Minimum cruise allowed is 2 hours = \$2,600

**The charge for each additional hour of
cruise time, or travel time or dock time is \$1,000 per hour**

1/2 hour boarding time is included in your charter.

Travel time is charged when your cruise embarks or disembarks from an alternate location.

Decorators and entertainers may set up one hour prior to boarding (schedule permitting).

Additional time may be purchased for \$1000.00 per hour.

**Due to our cruise and charter schedule, additional time may not always be available and therefore,
we reserve the right to allow for the purchase of additional time.**

If you're planning a wedding we do not automatically provide for "rehearsal" time.

All prices are subject to change.
